### For Clerk District Court.

Having received the nomination at the Republican primaries for the office of Clerk of the District Court I will appreciate your support at the General Election, November 5th, 1912.

G. T. AYERS,  
Floris, Okla.

## GEO. H. HEALY

Republican Nominee for  
County Judge  
Beaver County, Oklahoma

A vote cast for him will be cast for a capable and qualified man; an attorney of unquestioned ability and a fair and impartial Judge.

During his part of a term served as County Judge, Geo. H. Healy has brought the county judge's office from a state of chaos to a well-regulated and perfectly conducted office. The records of the office are the best evidence of Mr. Healy's ability. The office of county judge is one of the most important on the entire ticket. Only a man who possesses a knowledge of law and experience in practice should be considered. Mr. Healy has been an attorney for years and his ability is unquestioned. Vote for him. The interest of the people will be best served by his election.

### Select Capable Men.

No other office in the gift of the people is more important than that of County Commissioner. Much of the financial affairs of the county are in their hands. It is important then that only capable, honest men be selected. Who can question rightly the honesty, ability and fairness of Commissioner A. A. Haskell, present member of the Board from this district and nominee for re-election? Mr. Haskell is a worthy citizen, a Christian man and an official who has done his whole duty, fairly and squarely. He has made a good officer and his two-year's experience and careful study and investigation of the needs of the county, makes him the logical man for Commissioner of the Second District another term. Re-elect him and you will make no mistake.

Likewise, J. L. Duerson, of Dombey, nominee for Commissioner of the Third District and R. Hagan of Logan nominee for Commissioner of the First District. Both are experienced business men of ability and sound judgment and they would handle most acceptably the affairs of the county as a Board of County Commissioners. They are competent, honest and capable, men of wide experience and who have attained success on account of knowing what to do and when to do it.

Elect Haskell, Duerson and Hagan, the republican nominees, for your next Board of County Commissioners and you may feel that able, honest men have been selected.

Three weeks from next Tuesday—November 5th, the voters cast their ballot for the candidate of their choice. Voters, cast your ballot for those who will make capable, efficient and honest officials. Keep in mind the names of the republican nominees. They are all good men. You will make no mistake if you vote for them.

### Mr. Voter.

BEAVER, OKLAHOMA.  
I wish to enumerate a few things that I believe in and shall work for, and I believe that every officer and voter in the county should do the same.

I believe in lower taxes, economy in expenditure, and that each officer should give a dollar's worth of service for each dollar of the people's money received.

I believe in common honesty, and it seems to me that common honesty means more than to simply refrain from stealing the people's money outright. Common honesty means for each officer to be just as attentive to his business, and work just as hard for the interest of the County, as does the cashier for the bank, or the clerk behind the counter for his employer. The public office is a public trust, and not a private snap.

The Government is not to make men richer, but better; and the officer that does not labor with this end in view is not doing his whole duty.

If these ideas meet with your approval, and you wish to have a County Clerk that will work to carry them out, vote for yours truly,  
9-25 10-17 4w GEO. H. WRIGHT.

### Pe-ru-na and Ka-tar-no

S. B. Hartman, M.D.

I have received a letter from a young lady, who asks me: "Is the old Pe-ru-na (Ka-tar-no) better than the revised Pe-ru-na?" Either medicine has its place. One is adapted for one condition, another for another. Ka-tar-no is a better remedy for some conditions than the revised Pe-ru-na. On the other hand, the revised Pe-ru-na is a better remedy for some conditions than Ka-tar-no. They are both intended as catarrh remedies. They have both done a great work in relieving catarrh, chronic and acute. Many hundreds of cases of chronic catarrh and the same is true of the revised Pe-ru-na during the last six years since its revision.

There is a difference, however, in the two remedies. Whenever catarrh is associated with constipation then the revised Pe-ru-na is the best. Indeed, this is exactly why the revision was made, to meet such cases. But where no laxative is needed, where the bowels are regular or inclined to be loose, then the old Pe-ru-na (Ka-tar-no) is the better remedy.

The revised Pe-ru-na is for sale at all drug stores. Those wishing to obtain Ka-tar-no, address The Ka-tar-no Co., Columbus, Ohio.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
